Show your pride in America.

There's no better way than to show your colors permanently by posting the American Flag Kit. The American Flag Kit can be installed easily in most chain link fences. It's a great way to display the stars and stripes at home, school, church, or the office; wherever there's a chain link fence. The possibilities are unlimited. So go ahead and make a statement. Show your pride in the good old USA. It's easy with an American Flag Kit from Pexco PDS® Fence Products.

**Materials**

The American Flag Kit utilizes a nonserrated winged slat, and is extruded from High Density Polyethylene (HDPE) and other more flexible polymers. Color pigments and ultra violet (UV) inhibitors are specifically designed to retard the harmful effects of the sun and lengthen the life of the product.

**Durability**

Pexco PDS® Fence Products are resistant to: severe weather conditions, salt water, sand, road dirt, most acids, alcohol, alkaline, ammonia, petroleum distillates, and common environmental pollutants.

**Maintenance**

Pressure cleaning of surface contaminants is quickly accomplished with plain water.

**Limited Warranty**

The American Flag Kit carries a 10-year, pro-rata warranty against breakage under normal conditions. Write Pexco for full warranty information.

---

**Design**

High quality (HDPE) plastic with UV stabilizers.

**Finished Size**

When installed, the flag is 4' x 6' wide.

**Mesh Sizes**

2" (recommended to minimize spaces between slats).

**Wire Size**

9 or 11 gauge.

**HDPE Technical Properties**
